

# ALLIES DESTROY 40 JAP PLANES AT RABAU

## JAPS JITTERY OVER MYSTERY OF BOMB RAIDS

Nipponese Dealt Jolting  
Blow Materially And  
Spiritually

## CAN'T FIGURE HOW PLANES GOT THERE

Derive No Comfort From  
Continued Silence By  
United States

(By Associated Press)

The air raids which bore home total war to Japan for the first time Saturday dealt her a jolting blow both materially and spiritually. It became increasingly evident today despite her efforts to belittle them.

As effective, perhaps, in jangling the enemy's nerves as the unforeseen, startling bombardment itself, was the mystery of how the bombers got there.

What Japan would most like to learn, no doubt, is that the attacking planes are back aboard aircraft carriers hurrying at top speed out of lying range.

The Japanese radio, perhaps the air raiders were sea-based but the only indications so far have been contrary to such a thesis.

"Martin bombers" were said by the Japanese to have swept 1,000 miles of their shores. Presumably, what were meant were the United States army's B-26 medium bombers—army rather than navy planes and too large to be launched from carriers.

Safe at Bases

Furthermore, a Reuters news agency report from Chungking today said planes had reached their "destination" safely. This evidently meant their return to bases.

A new Japanese communique, at sharp variance with earlier Tokyo bulletins, put the number of planes in 10 in all and said some which escaped "are understood to have fled to the Chinese mainland."

It, too, identified the raiders as American medium bombers—B-25's. A version heard in the United States by CBS said the communique reported one bomber forced down and its five crew members captured.

This was in evident conflict with the previous assertion that none planes were down—since there were 10 attacking planes, nine were shot down and one was forced to land.

The new communique also hinted at Japanese action over the origin of the attacks. It did not mention where the raiders came from but observed that "a hostile navy unit centering around three aircraft carriers appeared April 18 at a distant point off the east coast of Japan proper but, fearing Japanese counterattack, fled without approaching Japanese shores."

Thus, without definitely saying so, it left the impression that the planes may have come from the sea, delivered their attack and continued on eastward to a landing place in Free China.

Italy Offers Version  
Still another version was offered in the Italian press. The newspaper La Gazzetta del Popolo of Turin expressed belief that the raiders started from bases in Soviet Russia secretly ceded to the United States.

That, of course, would be no solace to Japan.

Nether was there comfort for Japan in the United States' unbroken silence on the attacks, still concealing their origin, and her jittery week-end indicated how insecure

## How Community Fund Serves

### The Home For Aged

For both the young and the aged, there must be sympathy, kindness, helpfulness, and—highly important—a practical manifestation of these qualities in the form of financial assistance.

Through the medium of the Community Chest, two agencies under the welfare classification are provided with the means of continuing their work here.

These units are the Home for Aged Women and the Friendly Council. The Home for Aged is a haven of rest in the sunset years for those who are also homeless. Here are provided security and comfort. It is more than merely an institution. Aid from the Community Chest is just about the margin between merely a place to exist, and a home.

### The Friendly Council

On the other hand, the Friendly Council is an agency devoted largely to the development of young girls. Organized a few years ago, it has provided outdoor recreation for groups of Salem girls, as well as advice and counsel so important at this stage of life.

Because of the nature of its work, there is little or no publicity attached to the movement.

Community Chest funds distributed to these two agencies are judiciously expended.

## Navy, Acting On President

WASHINGTON, April 20.—The navy, acting on orders from President Roosevelt, today took over plants of the Brewster Aeronautical corporation at Long Island City, N. Y., Newark, N. J., and Johnsville, Pa.

This action, White House officials explained, was taken over because of "dissatisfaction with the management."

Presidential Secretary Stephen Early did not explain on what the dissatisfaction was based, and he added that "I don't think there is any labor trouble."

R. J. Thomas, president of the United Automobile Workers union and a member of the President's labor war board, said after a White House conference Thursday that the union had informed the FBI that there were a large number of aliens in the Brewster management.

## FRESH JAP BLASTS LASH CORREGIDOR

Dive Bombers Go Into Action; Defense Silences  
Three Foo Batteries

(By Associated Press)

WASHINGTON, April 20.—Opening of an intense Japanese effort to batter the Philippine island fortress of Corregidor into helplessness by bombs and siege guns was reported today by the war department.

From new positions on the Bataan peninsula and from the south shore of Manila the foe began an intense artillery bombardment yesterday, and for the first time dive bombing raids were made on Corregidor.

Defending gunners replied effectively to the new attack, silencing at least three batteries, a communique reported, and breaking up three motor truck and troop concentrations on Bataan.

Five dive bombing raids were made on Corregidor and in addition Japanese light bombers attacked Corregidor and Fort Hughes several times from high altitudes.

One bomber was hit by anti-aircraft fire, the war department reported.

### Ambush Jap Troops

Meanwhile near Zamboanga, on the island of Mindanao more than 500 miles to the south, an American-Filipino patrol ambushed two bus loads of Japanese troops and inflicted numerous casualties.

The three enemy batteries silenced by the fort's guns were in addition, officials said, to at least four and possibly five which it was announced yesterday had been put out of action in the past few days.

Bombing attacks on the besieged island forts have been confined thus far to high altitude level bombing, officials noted.

The dive bombers operated on the Bataan peninsula before defense there were overcome, they were particularly deadly after anti-aircraft defenses had been reduced.

The war department's communique late yesterday said also that small American and Filipino mobile forces in northern Luzon raided enemy outposts, destroyed supplies and inflicted heavy casualties.

Corregidor's island batteries were reported to have silenced four or five enemy guns in the last days, while anti-aircraft fire kept bombers at high altitudes.

## HOLD EYE CLINIC FOR JUNIOR GROUP

The annual student council eye clinic is being held at the Junior High school this week to test the eyes of all seventh graders and any eighth graders interested.

The members of the student council, under the direction of Miss Ann Connors, will make the test with the use of an eye chart, the parents of pupils with defective vision are informed. Approximately 230 pupils are expected to take the test.

A series of health talks will be given to eighth grade pupils, who take hygiene, by surgeons, general practitioners, and eye, ear, nose and throat specialists.

## HITLER BULKS AIR STRENGTH ON RED FRONT

Observes 53rd Birthday Today In Headquarters  
On Eastern Line

## POOR VISIBILITY SLOWS RAF ATTACK

Germans Still Hopeful Of  
Starting That Long Expected Offense

(By Associated Press)

Adolf Hitler, observing his 53rd birthday at eastern front headquarters, was reported by the Russians today to be trying to put the old blitz back into the air war with attacks by as many as 50 planes against single secret objectives.

The signs were that he had marshaled the bulk of his air force on that front, at the expense of his air strength in western Europe. Poor visibility over the continent last night, however, caused a pause in the British offensive in the west.

### RAF Over France

Small RAF fighter forces swept over northern France yesterday without opposition and the best the Germans could muster today against Britain was a three-plane strafing and bombing of a train and a south coast town. Three persons were killed and several injured.

German bombers ranged the vast Russian front, smashing at railway stations, airdromes and front line positions. They were impelled to this activity by improving weather, the hope of starting a general offensive sometime and perhaps also by the widening breach which the Russians were exploiting against the Finns above Leningrad.

### Active On Southern Front

On the southern front, the Germans were making a show of action by tank-plane teams, the Russians said, but failed to restore positions pierced by the Red army.

The German high command said its bombers hit again at harbor installations and utilities on the Caucasian coast of the Black sea, with one big Russian tanker damaged. German fighters were credited with destruction of 22 planes without loss in the southern sector.

"The Germans said that 'local' Russian attacks collapsed in the central and northern sectors and that in Karelia Germans and Finns exacted heavy Russian losses 'in defensive battles'."

### South Ellsworth Avenue

Improved Below Franklin

A total of 1200 gallons of asphalt was used in improving S. Ellsworth ave., south from Franklin st. to the railroad tracks, following the removal of the old Y. & O. street car rails. City Engineer F. S. Barckhoff said today.

The bituminous material was applied after the bricks were relaid. A strip between the rails and the curb had to be rebuilt before the entire area could be resurfaced.

A decision to continue the rail salvage project may be made by the city council at its regular meeting Tuesday night. Forty-seven tons of the rails were gleaned when WPA workers lifted the metal from S. Broadway, Franklin st. and S. Ellsworth ave.

## More Than 500 Make Merry In Polo Club's Barn Dance

Proceeds From Fete Will Be Used To Buy Testaments  
For Young Men Entering Armed Service

In an atmosphere of hay and rail fences, cowboy outfits, big straw hats for the men and sunbonnets for the ladies, more than 500 guests made merry at the Salem Polo club's third annual barn dance at the Elks club Saturday night.

From 9 until 2 it was a scene of wholesome fun into which all entered from the moment they stepped into the suitably decorated dance hall until the orchestra ceased playing. Bales of hay formed the entrance and inside were used by some as seats, a rail fence was erected in front of the orchestra, where the stage setting was unique, and gay streamers were strung overhead in the dance hall.

There were special attractions in one corner, which most of the guests visited in spite of resulting black eyes and slight shocks, and Jack Dunnigan's Trail Blazers played the kind of music the dancers seemed to enjoy. Miss Gertrude Miller offered vocal solos throughout the evening.

During intermission the derby race provided a lot of fun and excitement. There were many spills,

and some of the jockeys failed to reach the finishing line, but they were game and there were plenty of volunteers for the three preliminary heats. The Polo boys weren't able to handle their mounts as well as they do on the playing field, but James Pidgeon, Jr., managed to coax his pony the full length. In the final heat it was a close race, with Sam Jackson riding his mount to the prize money, a purse donated by the Polo club.

Will Smith handled his bull dog so well he was declared the winner over Broome "Pete" Votaw's trained badger, although the latter was hanging desperately to the end of his chain.

As dancing was resumed following intermission prizes were awarded for best costumes, the winners being Kenneth Holwick, Fred Koenreich, Shirley Pfeiffer, Mr. and Mrs. Charles Irely and Eleanor Spies of Alliance.

Proceeds from this barn dance will be used by the Polo club to buy new Testaments to be given to young men departing for armed service of their country.

## A Fighting General and His Men

Gen. Douglas MacArthur reviews an honor guard of American troops after his arrival in Melbourne, Australia. Dressed in informal wear, Gen. MacArthur does not look like the daring soldier who made the exciting dash from Bataan to Australia to assume supreme command of the United Nations forces in the Southwest Pacific.

## FDR TO TALK ON INFLATION

Will Give Congress Views  
On Measures He Holds  
To Be Essential

WASHINGTON, April 20.—Congressional leaders announced today President Roosevelt would send a message to congress in a week or ten days setting forth his views on necessary anti-inflation measures.

House Majority Leader McCormack said this message probably would be followed shortly by a fire-side radio address on the same subject. He said the message to congress would deal with "the cost of living during the war" and with "the factors that enter into it."

Wages would be included as one of those factors, he said along with such other things, probably, as taxes, profits, and savings.

While the chief executive's message is expected to be more in the nature of an outline of administration of policy than a definite request for specific legislation, McCormack would not go into details.

The program, it was understood, has not been drafted in its final form.

The message and the radio address which probably will come along shortly afterward are expected to present the results of weeks of study by administration officials who are confronted with the grave problem of spiraling prices and expanding purchasing power.

### Bank President Dies

DOVER, April 20.—Andrew Delis died yesterday at 94. He was president of the State Savings Bank Co., and had been active in its affairs until becoming ill a month ago.

John Southard, 40, of East Liverpool, Ruth Dyke, 17, of Rogers, James Swain, 23, William Huria, 21, and William Golanski, 22, all of Andover, Pa., Robert Todd, 20, of Clairton, Pa., Louis Zarenberg, 38, Joseph Noskey, 26, Herbert Musgrave, 26, Norman Wagner, 27, and Joseph Rosenberg, 23, of Beaver, Pa., and Thomas Patterson, Jr., of Beaver Falls.

### TRAFFIC BATTLE IS HALTED BY PATROL

Salem state highway patrolmen were "Johnnies on the spot" when two automobiles crashed on Route 14 between East Palestine and Unity at 2:30 a. m. Sunday.

Only the feelings of the two drivers were hurt. Officer Delbert Burdine, 20, of Beaver Falls, was arrested on a charge of driving a car while intoxicated. He was later fined \$100 and costs at East Palestine.

Miss Ruth Dyke, 17, of Rogers driver of the other machine, paid a fine of \$2 and costs for driving the wrong direction on a one-way road.

Paul Mays, 16, of New Castle, Pa., escaped uninjured when his car upset in a collision with a machine operated by Jay Lyons, 23, of East Liverpool, on Route 170, a mile north of Calcutta, at 9 p. m. Saturday, the patrol reported.

## 10 PER CENT GOAL FOR WAR BOND SALE

WASHINGTON, April 19.—Every American who receives an income will be urged to invest at least 10 per cent of it in war bonds or stamps.

Treasury Secretary Morgenthau, announcing that quotas would be set for each of the nation's 3,070 counties beginning May 1, said "ten per cent of every company payroll is the minimum war bond goal."

Bond sales, which soared to \$1,000,000,000 in January, have dropped off recently to about \$500,000,000 a month.

## SIXTEEN ARRESTED BY HIGHWAY PATROL

Ten Are Nabbed For Driving Over  
Unity Road, Open Only To  
One-way Traffic

Sixteen motorists were hailed into court by Salem state highway patrolmen during the weekend, 10 of them on charges of driving over the Route 14 cutoff, between Unity and East Palestine, open only for one-way traffic.

O. Delbert Burdine, 20, of Beaver Falls, Pa., charged with drunken driving in connection with an accident on that road, was fined \$100 and costs by Mayor Walter Hunston of East Palestine.

Oscar Hiner, 53, of 705 S. Lundy ave., Salem, also arrested on a charge of driving a car while intoxicated, was fined \$100 and costs following a hearing before Mayor R. R. Johnson here.

Also fined by the East Palestine mayor were Edward Libert 37, of East Palestine, \$5 and costs for ignoring a stop signal, and William Walsh, 33, of East Palestine, \$10 and costs on a charge of driving an unsafe vehicle. Walsh's car was reported by the patrol to have had faulty brakes, headlights, no tail light and no horn.

Those fined \$2 and costs each by Justice Earl Spaulding at East Palestine for traveling the wrong way on the Route 14 cutoff, included:

John Southard, 40, of East Liverpool, Ruth Dyke, 17, of Rogers, James Swain, 23, William Huria, 21, and William Golanski, 22, all of Andover, Pa., Robert Todd, 20, of Clairton, Pa., Louis Zarenberg, 38, Joseph Noskey, 26, Herbert Musgrave, 26, Norman Wagner, 27, and Joseph Rosenberg, 23, of Beaver, Pa., and Thomas Patterson, Jr., of Beaver Falls.

Only the feelings of the two drivers were hurt. Officer Delbert Burdine, 20, of Beaver Falls, was arrested on a charge of driving a car while intoxicated. He was later fined \$100 and costs at East Palestine.

Miss Ruth Dyke, 17, of Rogers driver of the other machine, paid a fine of \$2 and costs for driving the wrong direction on a one-way road.

Paul Mays, 16, of New Castle, Pa., escaped uninjured when his car upset in a collision with a machine operated by Jay Lyons, 23, of East Liverpool, on Route 170, a mile north of Calcutta, at 9 p. m. Saturday, the patrol reported.

## GEN. M'ARTHUR AND COMMAND MAP OFFENSE

Allied Chiefs Confer On  
"Highly Confidential"  
Subject

## MARK WEEKEND BY N. BRITAIN RAIDS

United Nations Fighting  
Pilot's Strafe Grounded  
Enemy Planes

(By Associated Press)

U. S. Army Headquarters, Australia, April 20.—Allied airmen razing through tropical rainstorms in one of their attacks, were reported today to have destroyed 40 Japanese bombing and fighting planes on Rabaul, the ground in two raids on Rabaul.

While these continuing attacks indicated American and Australian determination to press the Japanese in their outer rim bases and perhaps force them to relax their grip, Gen. Douglas MacArthur's new high command in the southwest Pacific began a swift mapping of plans to carry out instructions to prepare an offensive.

### "Highly Confidential"

Prime Minister John Curtin met with MacArthur and other allied service chiefs in a conference on a "highly confidential" subject.

The attacks on Rabaul in New Britain were made Saturday and Sunday. Thousands of pounds of high explosive were said to have been dropped on Lakunai airdrome Saturday, wrecking runways, blasting to pieces at least four Navy zero fighters with direct hits and wrecking many others with flying steel.

Moored flying boats were set on fire by another wave of raiders, while in a heavy attack Sunday at least one Japanese ship in Rabaul harbor was reported damaged by bomb blasts.

### Successful Operation

The pilots at Lakunai swooped out of low clouds, fought their way through heavy anti-aircraft barrage and turned loose their bombs and machine guns. The operation was described as highly successful.

Attending the conference between MacArthur and Curtin were Gen. Sir Thomas H. Blamey, Australian commander of Allied land forces, and Maj. Gen. Richard Sutherland, American, who is expected to be MacArthur's chief of staff.

Curtin, who said his government had joined with the United States, Great Britain, New Zealand and The Netherlands in granting MacArthur a charter as supreme commander in this vital war theater, attended the conference in his new role as defense minister.

Informed quarters said the defense portfolio had been created by the Australian war cabinet to eliminate red tape.

Curtin disclosed MacArthur had been instructed specifically to prepare to assume the offensive.

## MORE 'SIGN-UP' TIME FOR BLOOD DONORS

From 10 a. m. to 6 p. m. and From  
7 to 9 p. m. You May Register at  
Memorial Building

More time for blood donors to register at the Memorial building has been arranged by the Red Cross committee of which Mrs. L. D. Cessna is chairman. It was announced today by E. S. Dawson, chapter chairman.

In order to accommodate men who are working, the registration hours will be from 10 a. m. to 6 p. m., and from 7 to 9 p. m. at night.

Registration got under way today and will continue until the mobile blood donors unit arrives here to take the blood April 30 and May 1 at the public library. Anyone in the surrounding area, as well as in Salem, who is willing to donate blood for soldiers and sailors will be registered in preparation for the blood collections on the two days.

The Red Cross has arranged to pick up and deliver workers on the days of the donations. For this purpose, or for registration information, call phone 4500.

The call from the army and navy is for 2,000,000 volunteer blood donors. Blood grouping is not required for the use of the plasma to be processed. However, every donor is typed and the donor is notified of the blood group to which he belongs. This is a service being given to the donor and his family. Person who have knowledge of the blood grouping to which they belong may be of service to some relative or friend in case of the need of an emergency transfusion.

### Drowned In Lake

NEWARK, April 20.—A woman who drowned in nearby Buckeye lake was identified by her husband today as Mrs. Georgia Trovinger, 34, of Newark, mother of three small children. Maurice Reichert, a newsboy, discovered the body late yesterday.

## CHURCH MARKS ANNIVERSARY

Large Crowds Attend Lutheran's  
50th "Birth-  
day" Rites

In a flower and palm bedecked church filled to overflowing, Rev. William M. Schuette spoke yesterday at both the English and German services of the Emmanuel American Lutheran church which is celebrating its 50th anniversary. His theme for the services was "Love—The Foundation of the Church." Selections by the choir added to the impressiveness of the two services.

Rev. Charles Rush of the Emmanuel Lutheran church of Warren spoke to another overflow congregation at the evening service, using as his theme, "Fifty Years of Grace."

The celebration of the golden anniversary continues this week in the form of two banquets, one Wednesday evening and other on Friday evening.

At the first of two dinners, Rev. William Schmidt of the St. Paul Lutheran church of Youngstown, will speak. Rudolph Linder will be toastmaster at the dinner, which will feature the lighting of candles on a birthday cake.

At the Friday evening dinner, George Theiss will be the toastmaster, while Rev. F. L. Schellhase of Youngstown will speak. An identical candle lighting ceremony will feature this dinner also. This banquet will be held especially for the old German members of the church and will conclude the church's anniversary celebration.

## OBJECTOR RESIGNS HIGH SCHOOL POST

Harry B. Crewson, Jr., Quits At Se-  
bring After Protests By  
Trades, Labor Council

SEBRING, April 20.—A controversy brought to a head by the trades and labor council over propriety of a conscientious objector holding a position on the school faculty ended Saturday when the board of education accepted the resignation of Harry B. Crewson, Jr.

A delegation from organized labor appeared before the school board early this week to protest against the re-hiring of Crewson as a high school teacher. The board was powerless to act as Crewson's contract had another year to run.

However, after explaining his stand before trades and labor council at a subsequent meeting, Crewson was informed that labor still insisted his views made him unfit to teach school and his resignation was tendered the school board, effective as soon as a successor could be found.

Crewson applied to the draft board for deferment on religious grounds.

TONIGHT AND TONIGHT ONLY  
REGULAR \$2 DRESS SHIRTS,  
\$1.65. HALF PRICE SALE ON  
ODDS AND ENDS OF TROUSERS,

## WHAT HAPPENED HERE?

Ordinary Americans keeping abreast of the news are wondering what happened before the war to their government's intelligence system and what may happen to it from now on.

Japan's surprise attack on Pearl Harbor was a sensational climax, but before Pearl Harbor Americans had been led to believe...with no objection from the government...that Japan was not a military power to be feared.

Its planes, they heard, were second class. Its pilots were mediocre or terse. Its naval gunners couldn't shoot straight. Its military machine was put together with hay wire. Not only did the people as a whole believe these things, but officials in the government as highly placed as Secretary of Navy Knox seemed to believe them. Circumstantial evidence since the beginning of the war suggests strongly that the government was badly informed about Japan.

The same kind of evidence also suggests that this country may have been misled about the situation at Vichy. Certainly there is abundant evidence that from the beginning of the war, with the exception of Russia, none of the anti-Axis governments had adequate information about the other side. At the same time there is a great deal of evidence that Germany and Japan knew vastly more than they should have been allowed to know about what was going on among the intended victims of their aggression.

In Great Britain, there has been free discussion of the shortcomings of the intelligence system that should have kept Britons and their government better informed. The same thing should be done in the United States. Only by acknowledging this country's shortcomings now and placing responsibility can repetition of the same expensive mistakes in some future pre-war period be averted.

## REVISED PICTURE OF ADOLF HITLER

Current news fits together to make a new picture of Adolf Hitler. The spring drive which was to have driven back the troublesome Russians is late in getting started; the Russians, on the other hand, seem to be hell-bent on doing some spring driving of their own. The submarine campaign in the north Atlantic, which was to have immobilized Great Britain, has done tremendous damage, but has not kept the British from staging the most furious aerial assault of the war so far. The African drive that was to have driven a German wedge toward Alexandria in Egypt seems to have petered out in the sandstorms. Malta still stands and still fights back. The useful illusion of conquered France as a sovereign power has had to be discontinued for reasons that will be better known in the near future and which certainly will be related closely to a change in Nazi plans dictated by growing pressure. Another "Cammando" raid can happen any time.

United States Secretary of War Stimson has been talking for publication about invasion of Europe. Lend-lease supplies from the United States are reaching Russia. American aircraft and tank production both are rising rapidly. Europe's subdued population are showing no inclination to take their place in the Nazi scheme of things without a long, bitter struggle. The picture of Adolf Hitler in 1942 is no longer that of a conqueror who plots the moves and keeps the other side guessing till he is ready to make the thrust. The other side is still guessing, waiting for the Nazi lightning to strike in some new quarter. But the lightning has lost some of its snap and power. It is tired, as the German people must be tired. In 1942 Hitler, too, is having to do some guessing. Either his next surprise will clinch victory, or another spring will find Adolf Hitler peering wanly out of the steel cage that is waiting for him.

## THE GOOD NEWS FROM FRANCE

Whatever term is used to describe it, the United States in effect has severed diplomatic relations with unoccupied France. Its ambassador in being recalled, and after that happens anything else is an anti-climax.

This is bad news. It marks the end of a hopeful experiment in appeasement that was bound to fail because Germany held the only cards that counted. It means that the United Nations are going to be weaker, to the extent that Pierre Laval, the French quisling, can transmute what little remains of France's fighting strength to his German master.

But not all of the news from France is bad. Laval has been scurrying about his official business under heavy guard. It was not many months ago that his scurrying almost was ended permanently by a bullet. There have been riots in French cities. The French are helpless, but they are still being heard from.

In these days of humiliation and distress, it is not extravagant to hope that the freedom they let their conniving politicians paralyze with corruption is going to be revitalized. Now that they have lost it, they know what it was worth. They must long to have it restored; they must be promising themselves that if ever it is restored they will be willing to pay the price of freedom... eternal vigilance against the Laval and all other political termites who exist only to destroy man's hope of dignified self-government.

## NO TIME FOR FEVER

There is one point on which all real and bogus experts agree. This is the critical year of the war.

The side that makes the greater improvement in its position during the next six months will be the favorite to dictate the condition of peace when the fighting finally burns itself out. Though the war may continue for an indefinite time, the issue will have been decided for all practical purposes during the summer and fall of 1942.

Under ordinary circumstances (if anyone can remember when ordinary circumstances prevailed) this would be the reason for spring fever. Attacks would be succumbed to after only nominal resistance. Figuratively, mankind in the north temperate zone would yawn and sit down to take things easy, victims of tropic laziness.

But it is the north temperate zone where the war is going to be decided, this summer. South of the equator, Japan is just winding up a furious campaign that reached almost to Australia before it was stopped. Far north, in Burma, on this side of the equator, the Japanese are coiling for a blow at India. And much farther north, in a broad belt running through southern Europe the efforts and plans that will determine the outcome of the war are being speeded up. There is no spring fever in 1942...only spring fervor.

## FROM THE NEWS FILES

FORTY YEARS AGO  
(Issue of April 20, 1902)

W. L. Mercer was in the city over Sunday. Ed. Grove visited his parents here over Sunday. F. H. Jones was a Pittsburgh visitor over Sunday. George Oldham of Cleveland was a city visitor over Sunday.

Jesse Goldy of Alliance visited friends over Sunday.

Mrs. Alice Calvin has returned from a visit with relatives at Greenford.

Horace Bell of Rochester spent Sunday with relatives and friends here.

Mrs. H. C. Triem of Lincoln ave. visited relatives in Alliance over Sunday.

Miss Julio Strong of Alliance has been visiting friends here for a few days.

Ed. Callahan, who is now employed in a Pittsburgh office, spent Sunday in Salem.

Mrs. H. Tomy of Garfield ave. returned Saturday evening from a short visit with friends in Pittsburgh.

John Chisholm went to Cleveland this forenoon. From there he will go to Denver and Greeley, Col.

THIRTY YEARS AGO  
(Issue of April 20, 1912)

Jesse W. Fox of Goshen ave. went to Pittsburgh on business Friday.

Mrs. Ella Peterson of North Howard st. went to Alliance Friday morning to spend a short time with friends.

Mrs. E. O. Vail of Chicago returned Friday morning to her home after visiting at the home of Mr. and Mrs. A. R. Cook of Lincoln ave.

Mrs. Paul Jones of Ellsworth ave. left Thursday for Butler, Pa., to attend the wedding of her sister, Ida May Rieger, to Dr. A. N. Moore of Chicago.

Mrs. A. H. Copeland of Vine st. is contemplating a trip to New York in the near future. After a short visit with friends, she expects to go south for her health.

Frank J. Eckstein of the firm of Smith & Eckstein spent Saturday in Cleveland.

TWENTY YEARS AGO  
(Issue of April 20, 1922)

Miss Esther Calvin and Donald Simpson were Youngstown visitors Sunday.

John McNichol was in E. Liverpool Monday afternoon on business.

Miss Wilda Allen is confined to her home on Ellsworth ave. by illness.

Mrs. Katherine Kinnison, county health nurse, who has been in Central Clinic hospital suffering from diphtheria, has returned to her home in Lisbon.

Mr. and Mrs. Theodore Jewell returned to Cleveland Tuesday morning after spending a week with his parents, Mr. and Mrs. Henry Jewell, Ohio ave.

Miss Vera Jewell has concluded a short visit with her parents, Mr. and Mrs. Henry Jewell, Ohio ave. and returned to Steubenville.

Mr. and Mrs. Carl B. Crawford, who have spent some months at Camaguey, Cuba, arrived in Salem Thursday morning. They went from here to Leetonia where they will make their home.

Joseph Kelley, Theodore Goldsmith, Robert Wilson, Carrol Cobourn, James Kesselmeire and Frank Spencer, who have been here for the spring vacation, returned Wednesday evening to Kenyon college at Gambier to resume their studies.

Wednesday afternoon club members were luncheon guests of Mrs. L. A. Callahan Wednesday at her home, E. Elma st. Fancywork was a diversion.

## THE STARS SAY:

THE STARS

(For Tuesday, April 21)

An exceptionally lively and eventful day is forecast from the predominant planetary configurations. Under the acute stimulus of the intellectual faculties as well as commercial insight and ingenuity all affairs should be due to move along at a very high tempo and with gratifying success. All pertaining to travel, change, communications, writing, publicity, advertising and promotional enterprises. The interest and cooperation of those in influential positions as well as in public office, may be counted upon.

Those whose birthday it is may anticipate a year of liveliness, progress and productivity with things moving under unusual stimuli of the mind and nerve forces, inciting to travel, change, new ventures, especially where writing, publicity and promotional enterprise figure. Young people should be particularly brilliant, witty and ambitious to engineer large projects, and have support from elders, superiors and those in high places.

A child born on this day should be versatile, adaptable and resourceful with excellent mentality as well as commercial acumen. It could make a brilliant success in literary, professional, legal or commercial life.

## CALLS FOR PRICE CONTROL

WASHINGTON, April 20—Asserting that food and other prices have been "rising too rapidly," Senator Taft (R-Ohio) said today that the "time has come to fix price ceilings on all raw materials, including basic agricultural prices."

Taft, who cooperated with Price Administrator Leon Henderson and Democratic congressional leaders in drafting the present wartime Price Control Act, said in an interview that "instead of fixing retail prices controls should be applied on raw materials, because most farm products now are at levels that would permit this."

When congress drafted the Price Control Act it wrote in provisions that would allow most basic farm products to rise before price controls could apply.

Prices are bound to increase but now they are going too fast," Taft said. "I believe we must let things rise about 10 per cent a year under our war production plane but they have been moving faster than that."

## A SPRING CLEANING LONG OVERDUE

## DIFFERENT CAUSES FOR FAINTING SPELLS

Becomes A Real Source Of Worry Sometimes

By LOGAN CLENDENING, M. D.

FAINTING, or syncope, may occur sufficiently often to some people to constitute a real disability and source of worry. These spells usually do not mean anything serious at all, but in all circumstances they require some investigation.

Dr. Clendening will answer questions of general interest only, and then only through his column.

Investigation and, at least, definition. The words "fainting spell" are often used as an euphemistic expression for people who have mild attacks of epilepsy or periods of unconsciousness in the early stage of brain tumor and cerebral arteriosclerosis.

A real fainting spell is a fairly simple thing to understand. We know when a patient faints that the blood leaves the brain entirely, the blood pressure falls very low and the heart stands entirely still for a while. This may be brought on by fatigue or emotion, a too-long period without food or at the beginning of a mild illness.

Careful Examination Necessary  
Vertigo, or dizziness, and fainting spells often go together. When these occur either alone or together in young people, I think it is a sufficiently serious symptom to call for a careful examination.

In people over fifty, they are so common as to be of little significance, or at least can usually be adjusted by a few days of rest in bed and a cutting-down of activity. Women after the age of fifty who are undergoing the climacteric change are often bothered with attacks of vertigo and fainting. They must be assured that this is common and natural and will pass, and simply means that nature is telling them not to overdo and not to strain their vital reserves.

In many people over the age of fifty, both vertigo and syncope, in most cases, mean nothing more than a lack of elasticity of the arteries of the brain, which does not allow them to respond as rapidly.

But the most important thing of all is rest and relaxation. This is especially important in war time. It is my experience that the young have a pretty good time during wars and rather enjoy them, but the old feel out of it and take it out in explosions of nervous energy which do nobody any good but do the individual a lot of harm. I am going to discuss this further tomorrow, so we will let the subject drop in that way.

There are, of course, a few serious causes of vertigo and syncope and fainting spells and allied conditions, even in the old, but none of these is beyond the means of any average doctor to treat and I am sure that, after an examination which is neither expensive nor elaborate, you will feel very much better about a set of symptoms which may be the cause of some perturbation.

QUESTIONS AND ANSWERS  
A. B.: "Please tell me what is shingles, the cause, the remedy, and the length?"

Answer: Shingles is a very painful eruption of the skin which breaks out over the area of the distribution of a nerve. It is probably an infectious disease which localizes in the sensory ganglia of the nerve and causes hemorrhages there. The fact that it affects the sensory part of the nerve is what makes it so painful. The course of the disease may be divided into three stages: First, several days of pain without eruption; second, the skin eruption which appears in the form of hard blisters with intense inflammatory reaction around the point; and the convalescent period, during which the skin heals up. The whole

course of the disease usually lasts about three weeks. The best treatment is to use the X-ray over the area of the affected ganglia. Another treatment is the use of small doses of diphtheria antitoxin. Why this latter works is not known.

H. W.: "Is it considered too dangerous for a woman between 38 and 39 to have her first child?"

Answer: Of course there is a risk but it has been done successfully and your physician is probably capable of handling the situation.

T. A. R.: "I am a nursing mother and would like to go on a reducing diet. Please tell me if it is safe to do so."

Answer: The nursing period is a very dangerous one in respect to the possibility of a mother's gaining weight. I believe that nursing mothers can and should go on reducing diets if they need them.

EDITOR'S NOTE: Dr. Clendening has seven pamphlets which can be obtained by readers. Each pamphlet sells for 10 cents. For any one pamphlet desired, send 10 cents in coin, and a self-addressed envelope stamped with a three-cent stamp to Dr. Logan Clendening, 235 E. 45th st., New York. The pamphlets are: "Three Weeks Reducing Diet," "Indigestion and Constipation," "Reducing and Gaining," "Infant Feeding," "Instructions for the Treatment of Diabetes," "Feminine Hygiene," and "The Care of the Hair and Skin."

Attendance Report  
Of Sunday Schools

The Four Township Sunday School association's April 12 attendance report follows:

"Bandy Friends, 35; Bethel Reformed, 79; Beloit Friends, 178; Damascus Friends, 148; Damascus Friends, 36; Homeworth Evangelical, 48; Homeworth Presbyterian, 77; N. Benton Presbyterian, 113; N. Georgetown Brethren, 53; N. Georgetown Lutheran, 78; Sebring Church of Christ, 253; Sebring Lutheran, 54; Sebring Presbyterian, 95; Sebring United Presbyterian, 90; Westville Christian, 39; Winona M. E., 129. Total, 1,554.

Indices: higher attendance than on corresponding Sunday last year.

## Christen Film Couple's Baby

The four-month-old daughter of Constance Bennett and Gilbert Roland is christened Christina Consuela Roland in a small Canoga, Cal., church. Only a few friends and close relatives attended the christening. Louella O. Parsons and her husband were named godparents.

## Miss Vincent, Wilbur Sangree Are Married At Home Of Bride

Miss Frances Mae Vincent, daughter of Mr. and Mrs. Lee E. Vincent, became the bride of Wilbur Edwin Sangree, son of Mr. and Mrs. W. P. Sangree of R. D. 4, Salem, in a lovely wedding at the home of her parents on the Canfield rd. Saturday afternoon.

Rev. R. D. Walter, pastor of the Presbyterian church, heard the exchange of vows in the ceremony at 3:45 before a fireplace setting of greens and white candles. Cybottum fern, papyrus, palms, maidenhair fern, grape ivy and other ferns were banded before the fireplace with two tall seven-branch candelabra holding lighted white tapers.

Miss Ora Vincent, aunt of the bride, who played the music at the wedding of the bride's parents, played "Serenade" (Schubert); "O Promise Me" (de Koven); "I Love You Truly" (Bond); "Because"; and "The Bridal Chorus" from "Lohengrin" (Wagner).

Attendants for the ceremony were Miss Lela Vincent, sister of the bride and Oren Seidel.

### Bride-Elect Honored At Shower Here

Miss Josephine Santarelli, whose marriage to Valentine Ciotti will be an event of Saturday, April 25, was complimented at a shower given by her mother Mrs. Louis Santarelli, at her home on S. Broadway recently.

The evening was spent informally with bingo, prizes going to a number of the guests. A grand prize was won by Mrs. Tony Marino.

A buffet lunch was served by the hostess, assisted by Mrs. Dominic DeRienzo, Mrs. Ennio Alfano, Mrs. Frank Ciotti and Mrs. August Benedict.

The bride-elect was presented a number of lovely gifts from the guests, who were from Salem and Alliance.

Mr. Ciotti, the son of Mr. and Mrs. Frank Ciotti of Columbia st., is employed at the Mullins plant. Miss Santarelli is employed at the Murphy store.

### Observe 25th Wedding Anniversary

Mr. and Mrs. Steven Odean observed their 25th wedding anniversary Saturday at their home on N. Lincoln ave., holding open house during the afternoon and evening.

The couple were married in Trinity Episcopal church in Pittsburgh by Rev. Travers. They were presented many gifts and flowers. A buffet lunch was served.

Out-of-town guests included Edon Gibbons of Pittsburgh; Mrs. Edith West, Mr. and Mrs. Paul West, Herman Duesing, Dr. and Mrs. F. B. Downer of Youngstown; Mr. and Mrs. Ed. McDonald of Columbus; Mr. and Mrs. Carl Gund of Hudson; Mr. and Mrs. P. P. Driscoll of Leontia; Mr. and Mrs. Wilbur Bowling of Canfield; Dr. and Mrs. Maxwell of Wellsville; and Mr. and Mrs. C. F. Metz of East Liverpool.

### Kitty Klub Members Entertained

Games were played at the meeting of the Kitty Klub at the home of Mrs. John Sebo, W. Pershing st., last Thursday evening.

Mrs. Carl Pitteraft entertained with piano solos. Prizes in games went to Mrs. Ann Cosma and Mrs. Roy Griffith.

Lunch was served by the hostess at a table decorated with lilies at the centerpiece and lighted by red tapers.

The next meeting will be held at the home of Mrs. Edward Lesch on W. Pershing st.

### Class Will Meet

The I. H. S. Bible class of the Trinity Lutheran church will meet at the home of Mr. and Mrs. William Sponseller, 397 E. Eighth st., at 8 p. m. Tuesday.

Mr. and Mrs. Charles Becknell will be associates.

### Class Plans Dinner

Farr class members of the Christian church will have a covered dinner at the home of Mrs. Frank McConner, 850 W. State st., at 6:30 p. m. Tuesday.

Mr. and Mrs. Arch Wentz of E. Third st. have arrived at Corpus Christi, Texas, where their son Charles is completing his training as a naval air cadet.

Miss Mary Frances Tice, who is employed at Wright field, Dayton, spent the weekend at her home on N. Union ave. She is the daughter of Mr. and Mrs. I. G. Tice.

Corporal Harold Butler, son of Mr. and Mrs. D. M. Butler, Damascus rd., returned yesterday, following a 10-day furlough at his home, to Bowman Field, Ky.

Mr. and Mrs. Ray Smith have sold their farm on the Ellsworth rd. and will move Tuesday to Kent, where they will make their home at 216 E. Williams st.

Miss Catherine Haviland of Jennings ave. has left for a month's vacation in Los Angeles, Calif. Before her return home she will visit her cousin, Fred Smith, who is attending college in Missoula, Mont.

Mrs. R. W. Pollock of North Georgetown is a patient in Mercy hospital, Canton, for surgical treatment.

Miss Edna B. Stouffer of 1194 Cleveland st. has returned home from Northside hospital, Youngstown, where she was a patient last week for surgical treatment.

Mrs. H. H. Diehl of Rocky Mount, N. C., is visiting her sisters, Mrs. C. C. Ressler and Miss Edna Stouffer, Cleveland st.

## Tokyo Goes Through a Bombing 'Attack'

Tokyo is shown from the air when it went through a realistic air attack drill recently. The capital is blanketed with smoke from "bombs" dropped from planes. According to the Japanese radio the city experienced its first real air raid with United Nations planes inflicting telling damage.

### Honor For New Air Hero

Maj. Gen. Lincoln, Brig. Gen. Royce and Lieut. Col. Davies America's newest air hero, Brig. Gen. Ralph Royce, center, who led the force of 13 U. S. bombers in a daring 4,000-mile flight from Australia to raid Jap bases in the Philippines, is shown in this excellent radiophoto from Australia receiving the Distinguished Service Cross. Maj. Gen. Lincoln, left, is decorating Royce. At the right is Lieut. Col. John H. Davies, who led one group of the B-25 bombers in the raid. Davies also received the D. S. C.

### WILL BE BRIDE OF COLUMBIANA MAN

COLUMBIANA, April 20.—Mr. and Mrs. Jesse White of Greylock, W. Va., announce the engagement of their daughter, Elva Hilda, to Elwood Ross Culp, son of Mr. and Mrs. Homer C. Culp, East Duquesne st. The wedding will take place in the near future.

The Wide Awake class of the Grace Reformed church will meet Friday evening. Hostesses will be Mrs. Charles Fuhrman and Mrs. George Kysar.

The Mary Martha class of the Lutheran church will meet at the church Friday afternoon.

Circle No. 2 of the Presbyterian Women's association will be entertained in the home of the president, Mrs. Herbert C. Nolan, at 2:30 p. m. Thursday.

Mrs. C. B. Riegler will receive members of the Mothers club at her home this evening.

Mrs. R. D. Pavey and Mrs. Calvin Marshall returned to their home Sunday after spending a few days in the home of their sister, Mrs. R. J. Esterly, and family.

Registration for the advanced First aid course will be held in Room of the High school at 7 p. m. Tuesday. Mrs. John R. Gilchrist will be the instructor and asks all those attending to bring bandages with them. The first 300 will be accepted for the class.

Brazil furnishes about 65 per cent of all the coffee in the world.

Registration for the advanced First aid course will be held in Room of the High school at 7 p. m. Tuesday. Mrs. John R. Gilchrist will be the instructor and asks all those attending to bring bandages with them. The first 300 will be accepted for the class.

Brazil furnishes about 65 per cent of all the coffee in the world.

# Practical Motorists Realize Importance Of Having Experienced Men Check Car

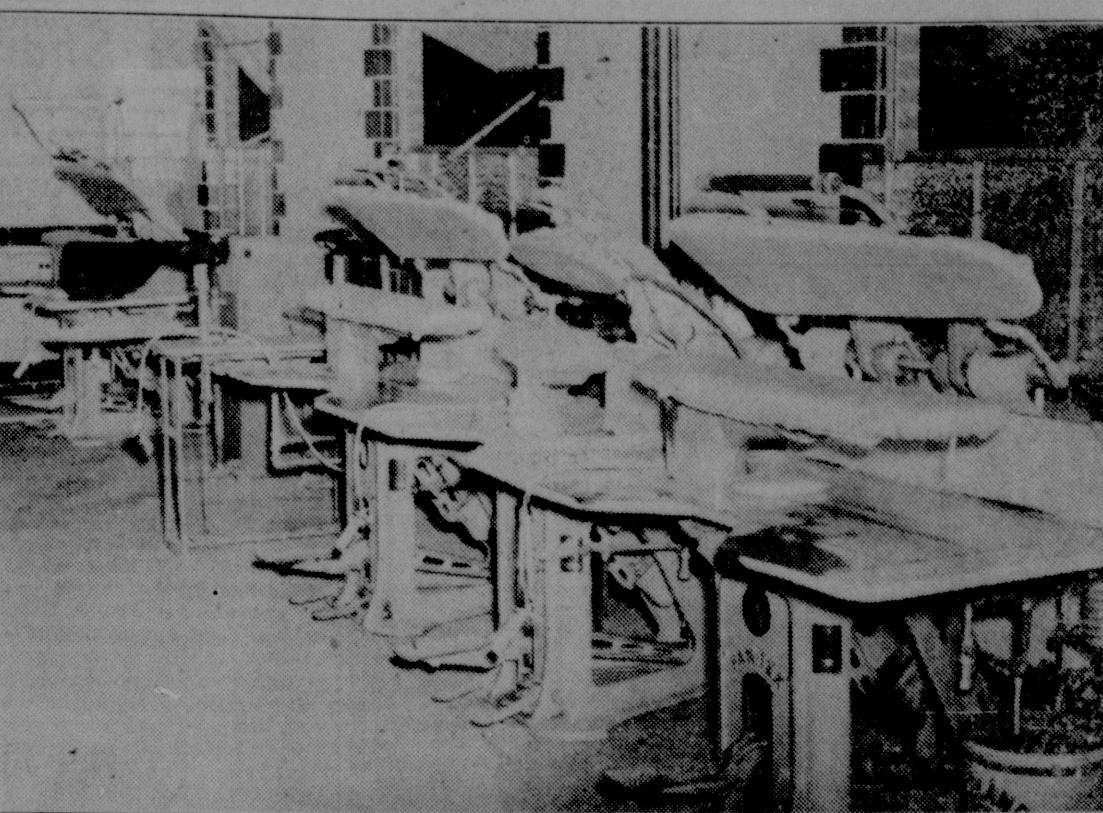

## OBSERVE FINISH IN DRY CLEANING

If It's The Paris Way, You Will Be Certain Of Top Quality

In dry cleaning what you notice first is the finish. You notice whether the color has been restored, whether the luster is present that attracted your attention before you bought the garment, and you realize in a hurry if there is any trace of cleaning odor. The crease must be just right, and every trace of wrinkle must be eliminated. In short, that's the finishing, and the worst part is it can be done in a fairly good way without the removal of all the dirt. At the Paris cleaners plant on the Benton road, not only is the finishing done by most experienced workmen and women but the cleaning also receives every care known to the trade. All the equipment is new throughout the plant and it gives the operators every advantage. The finished dry cleaning not only does appear perfect but it can be truthfully said it is.

The Papuans, residents of Manus Islands, until recently cannibalistic, now cultivate coconuts and pearl fishing.

## Paris Cleaners Finishing Department Modernly Equipped

Here is one part of the finishing department of the Paris Dry Cleaning plant on Benton Road. Everything new, as it is throughout the plant.

## FOOD KEPT FRESH WITH COOLERATOR

Coolerator Regarded As Nature's Way Of Preserving Food

You can taste the difference in food kept fresh and appetizing in an ice-conditioned Coolerator, according to William Tolerton, manager of the Citizens Ice and Coal company, local Coolerator distributors, and he goes on to say: "Ice-conditioned refrigeration in a Coolerator refrigerator is nature's way of keeping foods as nearly as possible to their original freshness."

**Retain Flavor**  
"In Coolerator your foods retain their appetizing flavors that make fresh food taste better. Lettuce, celery and other vegetables retain their garden crispness because there is less drying out."

"There is no need to keep foods in covered dishes or to cover them with waxed paper. The clean, washed air coming down from the ice-conditioned chamber carries the odors from the different foods back to the water from the melting ice and then down the drain, where they cannot harm the delicate flavor of other foods."

Coolerator uses ice in a new way to give you four essentials of refrigeration.

**Constant Cold**—Only the bottom ice surface is used for cooling, giving safe, cold temperatures whether ice chamber is full or nearly empty.

**One-way Circulation**—Patented ice conditioning chamber guides air circulation always in one direction, carrying odors to water from melting ice where they can mostly be absorbed and removed.

**Air Refreshed**  
Washed Air—Washed and humidified air returns from ice conditioning chamber to food compartment—air in food chamber is freshened.

**Balanced Humidity**—Presence of water from melting ice balances the humidity in food chamber, preventing rapid drying out of foods. In Coolerator, covered dishes are not necessary.

Pure crystal, hard-frozen, taste-free ice cubes can be made with the Coolerator ice cube in less than five minutes. You always have all the ice cubes you need when you want them. Before you buy any refrigerator, compare these crystal-clear cubes with those from any other refrigerator.

Miss Ruth Gaver of Youngstown spent the weekend with her parents, Mr. and Mrs. O. N. Gaver.

The physical property of 1,434 colleges and universities in the United States is valued at \$2,556,074,571.

## All For Allied Victory

Trucks for the armies of our Allies in the war against the enemies of freedom are being turned out by the thousands in the huge manufacturing plants of the automotive industry in Detroit. And, Americanized representatives of the nations united in the great conflict are enthusiastically doing their full share in helping to build the vehicles that will carry supplies, troops, and weapons to victory on the far-flung fronts of the war. Shown above are a few of the Dodge trucks being produced to fill a huge order for the allied fighting forces in many parts of the world. Photographed with the trucks they are helping to build for the cause of their former countrymen are Thomas Haskins (left), Holland-American; Basil Williams, English-American; and Sam Lomako, Russian-American.

## WORK DONE RIGHT AT GRATE GARAGE

Careful Attention Is Necessary Now, In Time Of Economy

All car owners realize fully the importance of having experienced mechanics make regular inspections of the many parts that do get out of adjustment.

Mechanics at the Grate Motor company have been kept busy lately getting cars properly tuned.

The carburetor must be just right to deliver the correct mixture of gas and air or trouble in starting can be expected any cool morning. Correct adjustment also gets the maximum utilization from gasoline.

The generator must be operating efficiently to deliver a constant, steady flow of electrical energy.

The battery receives more abuse than perhaps any other single unit, it must have the power to turn over the motor even though the oil is thick and sticky and, at the same time, furnish current to operate the heater constantly. Only by having the terminals clean and the water level just right can you hope to receive maximum efficiency even when the generator is working at its best.

The spark plugs must not be neglected, if the points are not set just right the spark is incorrect and this condition plays an important part in the starting of a cold motor.

All these features of any car in proper adjustment will make any car easy to start, but few motorists seem to realize it and perhaps just as important is the fact economy of operation goes along in direct ratio, and poor carburetion or ignition steps up the inefficiency in mileage you receive from your motor fuel.

So, regardless of the convenience, the economy feature should be reason enough for any motorist to adopt the habit of having his car checked at least once a month at the Grate Motor company garage so he can be reasonably sure it will start regardless of weather and know he is getting every mile from every gallon of motor fuel he buys.

The Grate Motor company is equipped with the very latest of machinery to adjust brakes, align wheels and balance them so that you can drive a safe car and know you are getting the last mile from every tire.

## E. ROCHESTER

Miss Carrie Ruff had charge of an Easter program when the Busy Workers Sunday school class was entertained Wednesday at the home of Mrs. Eva McDonald.

Mrs. Orson Cox conducted the devotionals. Mrs. Clara Waite had a contest and prizes were given Miss Ruff and Mrs. Cox. Guests were Mrs. Zimmerman and son Billy, Mrs. John Elton and Mrs. Harry McNely. Mrs. Zimmerman was received as a new member. Lunch was served by the hostess.

Mrs. F. L. Krieg entertained the Happy Hour club Thursday at a social and business meeting in her home. At 4:30 p. m. a dinner was served at the Old Homestead, near Minerva. Mrs. Maple conducted the contest and prize winners were Maxine Schooley and Mrs. R. W. Cowden. Guests were Mrs. Ethel Schooley and daughter Maxine of Akron.

## Spellers Compete

East Rochester school held its spelling contest April 10. Winners were Patty Robbins, fifth grade; John Billiter, sixth grade; Barbara Moody, seventh, and Corky Hawkins, eighth. They will go to the county contest May 2 in Lisbon.

Mrs. C. W. Smith of Washington, D. C. is assisting in the home of her brother, C. E. Marietta and wife.

## DOG OWNERS WARNED BY LEETONIA MAYOR

LEETONIA, April 20 — Mayor John A. Arnold has issued an order asking all dog owners to keep their pets at home. Failure to do so will constitute an infraction of a city ordinance.

Owners will be fined and their dogs impounded. The chief of police has been instructed to enforce the ordinance.

The annual inspection of Leetonia chapter, No. 253, O. E. S., will be held this evening at 8 A. dinner at 6:30 p. m. will precede the inspection. Deputy Grand Matron Grace Jackson of Louisville, will be the inspecting officer.

Mrs. Wilbur Stratton was brought to her home Saturday from the North Side unit of the Youngstown hospital.

James Kunkle submitted to an appendicitis operation Friday evening at the Salem City hospital. Mr. and Mrs. Mark Gintner of Beaver, Pa., were weekend guests of Mr. Gintner's brother, Fred, and wife.

Miss Margaret Redfoot of Youngstown spent the weekend with her parents, Mr. and Mrs. Lester Redfoot.

Mrs. Lester Prentiss of Youngstown spent the weekend with her parents, Mr. and Mrs. J. J. Blattman.

The American Rhodes Scholarships were suspended by the Rhodes trustees in 1939 and no elections have been held since.

## For Summer In Wartime Wearing

This wartime summer will find most women staying right on the job! That's why a dress-with-a-jacket outfit like this Anne Adams style is indispensable. It's becoming — it's versatile for street, office or home wear — it goes tastefully round the clock. Pattern C4982 is very simple to make up, too, with its concise accompanying sewing directions. The pictured style is made of attractive Celanese rayon crepe in popular brown-and-white print. Stitched pleats open out through the skirt to give softness to the slim silhouette; the neckline is high and slashed. The jaunty jacket is in frost-white Beachenese, with wide cuffs and a revers-collared print to tie-up smartly with the frock. Pattern C4982 is available in sizes 12 to 42. Watch for other distinctive easy-to-use Anne Adams Patterns daily.

Send FIFTEEN CENTS (plus ONE CENT to cover cost of mailing) for this Anne Adams Pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER. Send your order to Pattern Department, 243 West 17th Street, New York, N. Y.

## Goshen Students In Spelling Bee

DAAMASCUS, April 20 — Pupils from Goshen Township schools have been selected for the Mahoning county spelling contest at Canfield, April 25. They are:

6:45—Colonial Finance vs. Haldiss; Eagles No. 1 vs. Schwartz; Coys vs. Endres-Gross.  
9—A.A.A. vs. Salem China; Trades Class vs. Hi-Ho; Eagles No. 2 vs. Kaufmans.

## Captured at Wake

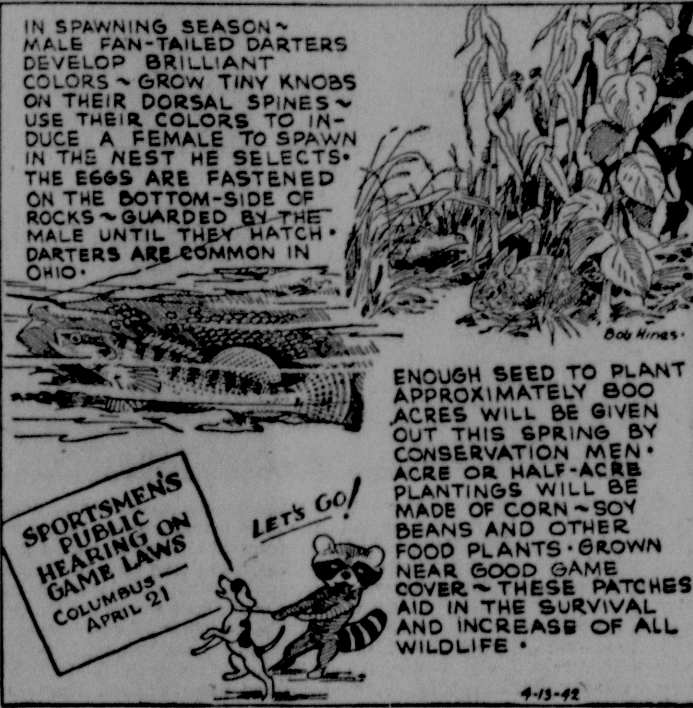

Phonephoto

This handcuffed Jap prisoner was taken from a Nipponese patrol boat by the defenders of Wake Island during the attack on that U. S. outpost. He is standing on the deck of a U. S. aircraft carrier, which his government had told him had been sent to the bottom of the Pacific.

## Under Ohio Skies

AS TOLD BY THE CONSERVATION DIVISION

IN SPAWNING SEASON—MALE FAN-TAILED DARTERS DEVELOP BRILLIANT COLORS—GROW TINY KNOBS ON THEIR DORSAL SPINES—USE THEIR COLORS TO INDUCE A FEMALE TO SPAWN IN THE NEST HE SELECTS—THE EGGS ARE FASTENED ON THE BOTTOM—SEE C. ROCKS—GUARDED BY THE MALE UNTIL THEY HATCH—DARTERS ARE COMMON IN OHIO.

ENOUGH SEED TO PLANT APPROXIMATELY 800 ACRES WILL BE GIVEN OUT THIS SPRING BY CONSERVATION MEN. ACRES OR HALF-ACRES PLANTINGS WILL BE MADE OF CORN—SOY BEANS AND OTHER FOOD PLANTS—GROWN NEAR GOOD GAME COVER—THESE PATCHES AID IN THE SURVIVAL AND INCREASE OF ALL WILDLIFE.

Albrights continued their drive for first place in the Pastime league yesterday on the Grate drives as they shut out the Strop club while the pace-setting Citizens Ice five dropped a game to Hunts. Vince Malloy had a 212 for Hunts. Jim Armstrong fired a 212 to anchor his series and pace Albrights while Mike Miller fired a 221 his last game to give him a 599 total for the day. Two games now separate the first and second teams in the standings.

With Leo Stoffer blasting the maples for a 223, Jacksons copped three from the Eagles on a forfeit while the Gold Bar and Salem Label remained idle when their match was postponed.

In other matches rolled over the weekend, Loudons took two from Bloombergs and Sponsellers posted a three game forfeit win over Pennys.

Kaufmans of the Grate Ladies league edged the Golden Eagle quintet of Akron, 2076 to 2062, in a special match rolled on the Grate lanes over the weekend.

The Presses of the Mullins league were red hot as they tripped expectation twice on the Grate alleys. Starting out with a 770, the Presses then racked up games of 960 and 1001 for a 2731 total. Bill Fieldhouse led the assault with games of 269 and 214 while Garlock shot a 223 and Culler and Galchick also topped 200. McFeely paced the losers with a 233.

In another postponed match rolled off, the Press five copped two from the Fishers although their fine edge had worn off. Fieldhouse was the only member of the quintet to top 200 as he came through with a fine 208 his last game. The Fishers failed to threaten the charmed 200 circle.

Lou DeCrow sparked at the ABC last Friday with the Eagles quintet which made a bid for some of the prize money paid out by the tournament each year when he blasted the pins for a 631 score. In the singles, Shepard and Gregg rolled 605, and 595 respectively.

St. Louis 3, Pittsburgh 2.

Games Today and Tomorrow

Boston at Brooklyn.  
Philadelphia at New York.  
Cincinnati at St. Louis.  
Chicago at Pittsburgh.  
Not scheduled today.

## Bits of Sport

**BOSTON**—Joe Smith, ailing 27-year-old Medford, Mass., milkman, won annual Boston AA marathon race in record breaking time of 2 hours, 26 minutes, 51 1-5 seconds. He clipped minute and 27 1-2 seconds off record to beat Lou Gregory, Syracuse, N. Y., by 440 yards.

**Buenos Aires**—Argentine continued plans for first Pan-American games although United States, through Avery Brundage of Chicago, announced it would not compete because of the war.

**New York**—Waller, 25 to 1 shot, won Jamaica's Excelsior handicap race as crowd of 36,498 held breath betting record of \$186,099. Waller went the mile and sixteenth in 1:46 4-5 with Olympus second and Boysey third.

**Havre De Grace, Md.**—Colechis, three-year-old not nominated for Kentucky Derby, defeated Alsab and Requested, two Churchill Downs favorites in \$15,000 Chesapeake Stakes. Time for the mile and sixteenth was 1:45 3-5.

**Toronto**—Toronto, at losing first three games comeback by winning fourth straight Stanley cup hockey playoff contest, 3 to 1, and regaining trophy last won in 1932.

**Lexington, Ky.**—Steel Heels took \$2,500 Ben Ali handicap at Keeneland. Whirlaway and The Rhymers were scratched. Steel Heels traveled mile and sixteenth in 1:46 2-5.

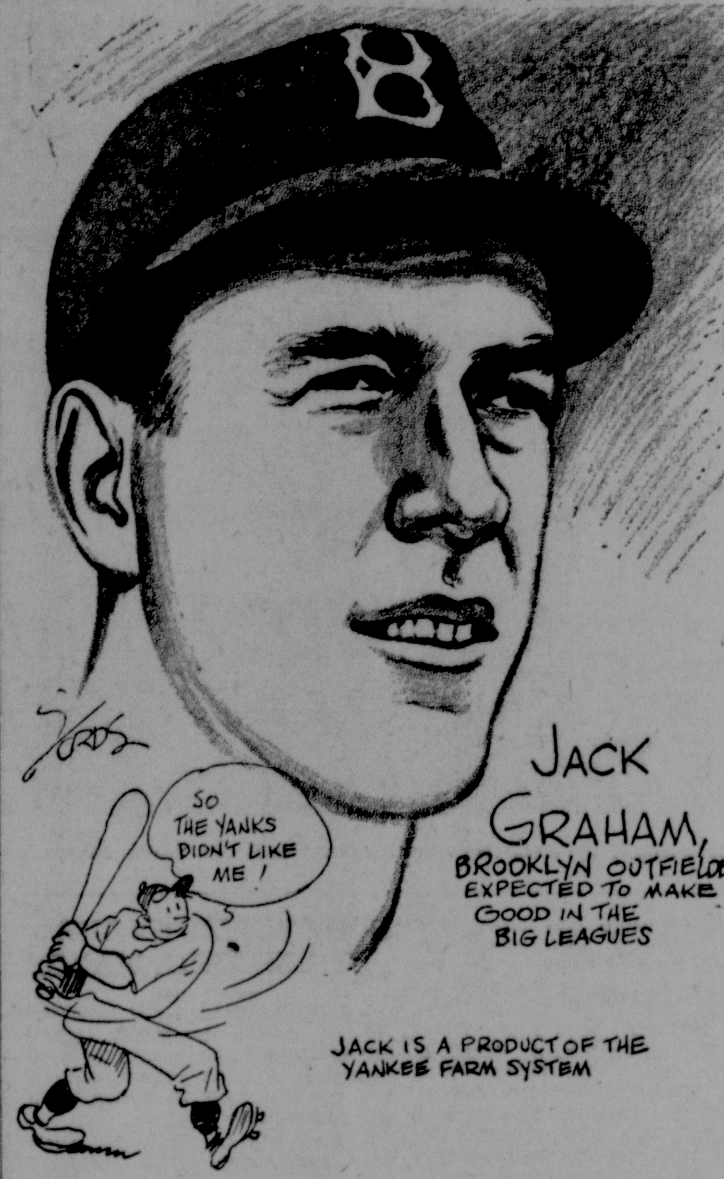

**Detroit**—Adolph Kiefer, 23-year-old Chicagoan, clipped two full seconds off his own world 100 meter backstroke record by winning match race in 1:02.8. Gloria Callen of New York, set new AAU indoor 100-yard back-stroke park of 1:08.5, full second better than Eleanor Holm's old standard.

**CHICAGO**, April 17—Illinois and Iowa, undefeated in their first two Big Ten conference baseball starts, hoped to make it three in a row today.

**Illinois** met Purdue at Lafayette in the first of a two-game series while Iowa was at Indiana for a similar two-day stand. The Iowa-Indiana series may give some idea of the comparative strength of the league's two pacemakers, for it was over Indiana that the Illini scored their opening triumphs. Iowa's first two wins came at the expense of Minnesota.

Also in conference action today were Northwestern and Chicago.

## YANK FARM PRODUCT — By Jack Sords

## SPORT CHATTER

**BY HUGH FULLERTON, JR.**  
**NEW YORK**, April 20.—When Red Barber was broadcasting the Dodgers' first home game of the season, he put in an appeal from the Red Cross for blood donors. Before the game was over there were 157 telephoned offers from Brooklyn fans. Suppose they figured they might as well shed blood for the Red Cross since they've done it so often for them. Bums. It isn't official yet, but the chances are that next fall's Army-Navy football game will be played for the two service relief societies. That isn't a navy blimp hovering around Quonset Point at Providence, R. I.; just your old friend Shanty Hogan working on a defense job.

**Today's Guest Star**  
Tommy Tucker, Cleveland News: "Some of the fight experts are wondering why Bob Pastor risked a possible shot with Joe Louis by fighting a dangerous man like Jimmy Bivins. I myself think it's plain carelessness. Pastor doesn't seem to care how many big purses he can collect."

**Monday Matinee**  
Priority Note: When a group of radio commentators visited West Point for a lecture on what they could do to help with the war, Red Black refused to talk football to them. Said they were for another purpose entirely. Report says Walt Disney's prelude for the Lou Gehrig picture will feature "Goofy" with Murphy relieving in the sixth, we presume.

**COLUMBUS**, April 15—Ohio State University's baseball team defeated Western Michigan the second time in as many days yesterday. The score was 6 to 0.

Try the Classifieds—a gold mine of values for the thrifty buyer.

**U.S. Marines —**  
by Kret

**SERGEANT E. R. KIMMAN**  
Holds the record 227 feet nine inches, roping the regulation 21-count fragmentation grenade.

**DERBY WEBB**  
30-YEAR VETERAN LEATHER NECK PUBLICIST IS CALLED THE LIVING ENCYCLOPEDIA OF THE MARINE CORPS.

THE FIRST U.S. MARINE CORPS EXPEDITION WENT TO THE BAHAMA ISLANDS IN 1776 UNDER THE COMMAND OF CAPT. SAMUEL NICHOLAS.

## Bucs, Brooklyn, Boston Braves Share Leadership In N. L.; Reds Take Cubs

Patriots' day in Boston took on added significance today, with the Red Sox and the Braves setting a pace in the major league baseball races that would have made Paul Reveres' dash through Middlesex county look like a trot.

As the Red Sox returned home from a successful invasion of Yankee stadium to play Washington in a Patriots' day doubleheader, they were in supreme command of the American league and the Braves owned a third interest in the National league lead.

The Red Sox took over sole possession of first place yesterday by stopping the New York Yankees, 5-2. The St. Louis Browns slipped into second place ahead of the New Yorkers as they divided a doubleheader with Detroit.

The Braves and Pirates formed a cozy little twosome at the top of the National loop until both lost yesterday, allowing the Brooklyn Dodgers to muscle in on their party by brushing aside the Philadelphia Phils.

From the spectators' standpoint, the first Sunday of the 1942 season was a shining success, although the action was confined to seven fronts when the weather forced postponement of the Cleveland game between the Indians and the Chicago White Sox.

Mary Breuer of the Yanks gave up only five hits but he had a shaky fourth inning when the Sox turned three safeties and a pair of walks into four runs.

**Browns Split Bill**  
At St. Louis, both games were won on home runs. Chet Laabs smashed a two-run homer in the opener to give the Browns a 2-1 decision over the Tigers, although the winners managed only four hits off Al Benton, one less than Elden Auker yielded in gaining the verdict.

Rookie Charley Fuchs also tossed a four-hitter at the Browns in the Washingtonville Lodge Holds Party.

**WASHINGTONVILLE**, April 20.—Thirteen members of Pride of the Valley temple were honored with a birthday celebration following the business session at their regular meeting on Tuesday evening. The Good of the order gift box was awarded to Mrs. Helen Santulla. Lunch was served with a special birthday table decorated with miniature cakes and favors for the guests.

The Bethel class of the Methodist church was entertained on Thursday evening in the home of Mrs. Marvin Fieldhouse. Mrs. Walter Warner was a guest. The devotionals were in charge of the president, Mrs. Merle Stouffer.

The subject, "Music" was discussed. The book report "Jesus Appears to His Disciples" was given by Miss Eunice Stouffer.

Contest prizes were awarded to Mrs. Raymond Herald, Mrs. John Voipe, Mrs. Ray Davis, Mrs. Clifford Herron and Mrs. W. C. Snowball.

The class will be entertained in the home of Mrs. Herbert Hartley at the May meeting.

**Mrs. Spear Hostess**  
Mrs. Albert Spear was hostess to the Fortnightly club members on Wednesday evening. Other guests were Mrs. Margaret Spear and Mrs. Donald Spear. Prizes for cards were awarded to Mrs. Sadie Stouffer and Mrs. Margaret Spear. The consolation prize went to Mrs. Donald Spear. In two weeks on Thursday evening the club will be guests of Mrs. J. A. Stouffer.

The condition of Philip Hartman who has been confined in the Salem City hospital the last three weeks is a little improved.

Mrs. Elmer Inermil is spending a week with her daughter, Mrs. John Stevens and family at Cleveland.

## DEATHS

## MRS. MARTHA WISLER

Mrs. Martha Wisler, 87, widow of Anthony M. Wisler, died at the home of her daughter, Mrs. Fred G. Brudery, one mile north of Washingtonville, at 5 a. m. Sunday following a year's illness of a heart ailment.

Daughter of the late Mr. and Mrs. Luther B. Calvin, she was born in Green township, Mahoning county, Nov. 30, 1854. She was married in December, 1875, and her husband died in January, 1915.

Mrs. Wisler was a member of the Greenford Christian church. Surviving are the daughter, Mrs. Brudery, and a son, Ira Wisler of Greenford; one sister, Mrs. Sarah Whitmer of Warren; nine grandchildren and seven great grandchildren.

Funeral service will be conducted at 2:30 p. m. Tuesday at the Fry funeral home in Columbiana in charge of Rev. A. J. Cook. Burial will be in the Locust Grove cemetery. Friends may call at the Brudery home this evening.

## FRANK HARBAUGH

Frank Harbaugh, 67, died at his home, 1401 S. Lincoln ave., at 4 p. m. Sunday following six months' illness of complications.

The son of Thomas and Kathryn Harbaugh, he was born in Lisbon Nov. 5, 1874. He came here 20 years ago. He had been employed at the Stark Electric railroad station.

Surviving are a sister, Mrs. M. C. Bates of Salem, and a niece, Mrs. Ed. Herron of Salem, at whose home he lived.

Funeral service will be held at 1 p. m. Wednesday at the Arbaugh-Pearce funeral home, in charge of Rev. Carl Asmus. Burial will be in Lisbon. Friends may call at the funeral home Tuesday evening.

## WILLIAM C. NUTTING

William C. Nutting, 87, died at his home, 776 Newgarden ave., at 11:30 p. m. Sunday of complications following four weeks' illness.

Born Feb. 24, 1855, in Clermont, N. H., he had lived here 10 years, coming here from Navarre, O.

He leaves his wife, Sarah M. Nutting; a daughter, Mrs. G. B. Shields of Canton; and a son, L. E. Nutting of Salem.

Funeral service will be held at 3 p. m. Wednesday at the home, in charge of Rev. R. D. Walter. Burial will be in the Navarre cemetery. Friends may call at the Nutting home Tuesday evening.
